Housing Keeping Attendant (Part-Time)

Description

REPORTS TO: PRACTICE MANAGER

DEPARTMENT: NURSING

Our housekeeping team reports to nursing leadership to ensure cleaning aligns perfectly with patient care needs and clinical standards. You'll play a key role in practicing Infection Prevention Control (IPC), keeping spaces sterile and safe to protect patients and staff every day.

Responsibilities

- Ability to follow cleaning protocols carefully.
- Familiar with how to use cleaning products safely.
- A Team player who is capable of working with minimum supervision.
- Good oral communication skills.
- Physically fit.
- Able to work flexible hours.

Qualifications

- Form 6 FSLC pass.
- Housekeeping experience, especially in healthcare, is an added advantage.

CRITERIA

Cover Letter.

Updated CV.

Relevant Certificates.

Good character references from two (2) professional referees.
